### Camp Carysbrook for Girls

For girls six to sixteen, Camp Carysbrook offers all the aspects of a quality summer girl's camp that will create lasting memories and friendships for years to come. This 200-acre summer girls camp nestled in the Blue Ridge Mountains about 40 miles southwest of Roanoke, Virginia, is accredited by the American Camping Association. Camp Carysbrook provides a setting which promotes the exploration and development of each camper's abilities and potential and assists them in discovering the richness of life. Each camper enjoys the rewards and challenges of living in a small community where the emphasis is on a balance between working with others and self-discovery. If you are looking for the best in what a girl's summer camp has to offer, give your daughter a great summer experience...take a closer look at what Camp Carysbrook is all about. Horseback riding option for all campers; Equestrian Camp is also an option.

### **Fox Pointe Farm Equestrian Camp**

Total equestrian immersion for "horse crazy" girls ages 9-18. Catering to all levels of riding experience beginner through advanced. Enjoy professional riding instruction twice daily in ability matched groups. Beginners learn to tack, groom and understand correct equitation, walk, trot, ground poles, and maneuvering the horse. More advanced levels improve through ring work at walk, trot, canter, and jumping, including combinations & courses. In addition learn horse care, management and health through daily responsibilities and clinics. Fun time includes swimming, hiking, crafts, camp fires, games and much more. Three home-cooked meals served daily. Our facility includes new campers' cabin, in ground swimming pool, hiking trails, school horse & boarding barn and 130' X 210' arena with night lights.
